

mainAppDelegate.h

```
graph BT; cameraView.m --> mainAppDelegate.h; mainAppDelegate.m --> mainAppDelegate.h
```

The diagram illustrates a header file dependency. At the top is a gray box labeled 'mainAppDelegate.h'. Below it are two white boxes: 'cameraView.m' on the left and 'mainAppDelegate.m' on the right. Blue arrows point from the top of each of these two boxes up to the bottom of the 'mainAppDelegate.h' box, indicating that both source files include this header.

cameraView.m

mainAppDelegate.m
